

Instructions for logging on to the WTA website

Access site at www.wtatrucking.com

Select "Member Login" from left navigation menu

For new users to the site, select "activate," complete fields for account information including your email address and password choice. This will be your permanent log on information

Select "submit"

An email is then sent to WTA where membership is verified and the login information is set up. Upon completion of member information, an email is returned to the person requesting access confirming their ability to login to the WTA website.

Return to the website, use email and password selected, then select "login."

You will be directed to a personal home page and can navigate through the site from there.
