

Drivers can now get real time traffic and weather information by dialing 5-1-1 from most phones. This new traveler information system builds on the highly successful Washington State Highway hotline that managed 4.6 million calls each year. Callers can also use 5-1-1 to get statewide construction, mountain pass condition, and state ferry system information, as well as toll free numbers for passenger rail and airlines. TTY users can call 1-800-833-6388.
